# OFFICIAL THANK YOU MESSAGE

The 20<sup>th</sup> edition of the World Pencak Silat Championship, alongside the 5<sup>th</sup> edition of the Junior World Pencak Silat Championship, was successfully held at the Abu Dhabi National Exhibition Centre (ADNEC) from December 18 to 22, 2024. This esteemed event highlighted the United Arab Emirates' dedication to promoting cultural sports and fostering international cooperation in the sporting arena.

During the closing ceremony of what has been recognized as the largest Pencak Silat championship to date, Indonesian President and President of the International Pencak Silat Federation (IPSF), H.E. Prabowo Subianto, represented by the Indonesian Foreign Minister H.E. Sugiono, who is also the Deputy of the International Pencak Silat Federation (IPSF), expressed hope that this event would strengthen friendly relations among participating nations. The Minister underscored the importance of the championship in inspiring future generations to uphold the esteemed traditions of Pencak Silat.

In his remarks, H.E. Sugiono praised the tournament for uniting elite athletes from around the globe, acknowledging the creativity, skill, courage, and dedication exhibited by participants. He remarked, *"Your courage to step into the arena, to push the limit, and to embody the spirit of Pencak Silat, is itself a remarkable achievement for all of you."*

Moreover, he emphasized that the championship transcended mere competition, serving as a celebration of Pencak Silat's rich cultural heritage, which was recognized by UNESCO as an Intangible Cultural Heritage in 2019.

The championship attracted over 1,100 athletes, coaches, referees, juries, and officials from 57 countries. While some nations faced visa challenges and attended as observers, this event was conducted under the auspices of the International Pencak Silat Federation in collaboration with the UAE Ministry of Sports, the UAE Sports For All Federation, the Abu Dhabi Sports Council, the Indonesian Embassy in Abu Dhabi, and the UAE Pencak Silat Community, with logistical support from Palms Sports.

This World Pencak Silat Championship, featuring participants from five continents, marks a significant step toward gaining recognition from the International Olympic Committee (IOC), paving the way for Pencak Silat to be included in future Olympic competitions.

The closing ceremony featured a symbolic handover of the championship's mandate, represented by the Pencak Silat Keris (Dagger). This significant artifact was passed from Grandmaster Heru Presetya Tantra to Mr. Roy Z Kamsanee, Chairman of the Organizing Committee, who in turn presented it to Mr. Teddy Suratmadji, Secretary-General of the IPSF, thereby marking the official conclusion of the championship.

**Achievements of Indonesia:** Indonesia emerged as a dominant force in the medal standings for both championships. Husin Bagis, Indonesian Ambassador to the UAE; H.E. Saeed Ali Alajil, Vice President of the UAE Sports for All Federation; and Mr. Muhammad Sadri, Deputy Chairman of the Organizing Committee.

H.E. Ahmed bin Ali Al Sayegh, Minister of State at the UAE's Ministry of Foreign Affairs, presented the "Overall Champion" title for the 5<sup>th</sup> Junior World Pencak Silat Championship to the victorious Indonesian team, while H.E. Sugiono awarded the same title for the 20<sup>th</sup> World Pencak Silat Championship to Indonesia.

**UAE's Contribution to Success:** H.E. Husin Bagis emphasized the UAE's vital role in the success of the championship, commending the nation for its unwavering support. He expressed gratitude to H.E. Dr. Ahmad Belhoul Al Falasi, Minister of Sports, the UAE Sports for All Federation, and the Abu Dhabi Sports Council for their invaluable contributions.

Fouad Darwish, CEO of Palms Sports, reaffirmed the UAE's commitment to innovation, diversity, and progress, stating, *"Hosting the World Pencak Silat Championship at ADNEC highlights our dedication to cultural exchange and excellence in sports."*

H.E. Saeed Ali Alajil conveyed optimism regarding the future of Pencak Silat in the UAE and shared plans to establish additional training centers nationwide. He also commended the UAE team for their impressive performance, securing one gold medal, two silver medals, and six bronze medals, which included a special award for Best Pre-Junior Athlete, awarded to UAE resident, Hamza Akram Rachman.
